A GALLERY OF CHAMPIONS

Issue No. 1.

Monday, 2 November 2020

Partial lockdowns are being discussed in many countries and, while talking about which businesses must stay open, governments have to decide whether they should close Museums or not. A decision that can be very tough: as Oscar Wilde would say, 'life imitates art far more than art imitates life'.

And now let's think about Bridge events. How would we feel during this pandemic without a direct connection with the art of our game? So here is a Bridge art gallery of 12 top teams!

Results (including the Butler rankings), team rosters, draw, daily schedule and the scores will be posted both in the Daily Bulletins (along with other contents) and online at the usual link:

Some years ago, during a NABC, a player mentioned this Magritte painting as an analogy of how she feels while playing a Mixed event. Although a little bit extreme, we find the comparison very classy. Is there any painting/piece of art that reminds you of Bridge situations? Let us know by e-mail at: franceschannels@gmail.com

EVENT'S FORMAT

QUALIFICATION

The tournament will be played in the form of a "Delayed Swiss" in a single group. Teams seating in the first two rounds will be drawn randomly and onwards it will be Delayed Swiss by 1 round meaning that on round 3 the seating will be based on the ranking after round 1, round 4 based on the ranking in round 2, etc. This tournament will consist of 96 boards played in 8 matches of 16 boards each. The results of each match shall be converted into Victory Points in accordance with the appropriate WBF IMP/VP scales. In case of having a tie between two teams, the mutual results will decide and if there are still tied the team that has the most wins (BAM style).

KNOCKOUT

At the end of the qualifying stage the four teams that scored more VPs will advance to the Semifinal. The first qualified team will choose his opponent for the Semifinal match from the two teams that qualified third or fourth. Each Knockout stage will consist of two rounds of 24 boards each. In the Semifinals and the Final there will be a carry over of 8.1 (Semifinal) IMPs and 4.1 (Final) IMPs according to the seeding.
