It has been a long time since many of us last met and we are doing our best to make your online Bridge experience as valuable as we can.

Obviously when producing Bridge articles it is necessary to use photos from the archives, as the last international face-to-face Bridge event was held several months ago (the 2020 Winter Games in Monaco).

Since online play is at the moment our new ‘present’, we would like to represent it as it is! So if you can please send us a picture (can be a selfie) of yourself playing online Bridge. **Let your Bridge friends see you in the present**!
