A Lesson Learned - Lead Partner's Suit

by Martin Cantor

Not for the first time this week, we had a deal where slam was available in multiple strains, but this time one strain was a mirage, at least on paper (if you can have a mirage on paper?)

Board 147. Sealer South. EW Vul.

	♠ 10 7 5 ♡ J 10 9 8 ♢ 7 6 5 3 2 ♣ 5	
♠ 6 3 2 ♡ A 7 ♢ K Q J 4 ♣ Q 7 6 3		♠ A Q J 8 4 ♡ K ♢ A 9 ♣ A K 10 9 2
	♠ K 9 ♡ Q 6 5 4 3 2 ♢ 10 6 ♣ J 8 4	

Spades are the siren slam - beaten by a club lead, somewhat unluckily since defeat needs the trump king offside doubleton or singleton. The three pairs in 7♠, and the one in 7♣, can also consider themselves unfortunate, since the grand just depends on the ♠K in North after South has opened a weak 2. There was plenty of variety in the final contracts, mostly thanks to NS sticking their oar in. A minority of Souths passed which generally gave EW a free run. A plurality opened 2♡, raised to 4♡ whether West passed or doubled (which would you do? I dislike both options). Doubling worked best, as East with the huge hand now drove to slam. After a pass many Easts simply bid what they thought they could (or might) make, 4♠. Not easy. A few NSs took what to me was a puzzling approach, and one which made life less difficult for their opponents. These Souths opened a multi 2♢, and their partners bid either 2♠ or 3♡. If a 2♡ opener is worth 4♡, then a 2♢ multi must be worth a pass or correct 3♠, even if your multi can be a five card suit and, given your abject weakness, even more worth it if you are playing multi as a weak weak two. What did everyone play? Two found the top spot of 6NT, and seven the small slam in clubs. Of the six in 6♠ five made it, so sometimes those mirages prove to have an oasis after all. A round dozen 4♠s were accompanied by a pair of 5♡Xs (-800) and one outlying 2♠-6 by NS (don't ask).

Shortly afterwards we had another multiple strain slam:

Board 152. Dealer West. None Vul.

	♠ 8 7 ♡ A Q 8 6 5 2 ♢ J 8 2 ♣ 8 6	
♠ A Q 10 4 2 ♡ J ♢ Q 5 3 ♣ K 10 7 4		♠ K J ♡ K 9 7 4 ♢ A K 9 6 4 ♣ A 5
	♠ 9 6 5 3 ♡ 10 3 ♢ 10 7 ♣ Q J 9 3 2	

And yet again NS could muddy the waters, this time with a weak 3♡ over West's 1♠ opener. Except, to my surprise, only Andy Goodman did, though four overcalled 2♡. Despite the lack of intervention only twenty-two of thirty-four bid to a slam, and two of those managed to bid 7♢ missing a cashing ace (if only someone would invent a convention by which you could Easley identify aces). Top score on the board went to Goded-Sabaté who got 1100 from this auction

West	North	East	South
Sabaté	*Sandin*	*G.Goded*	*Karlsson*
1♠	Pass	1NT*	2♣
Dbl	All Pass		

1NT any GF

To be fair, my choice of 3♡ can also go five off.

Board 153. Dealer North. EW Vul.

	♠ A 9 3 ♡ A 9 4 ♢ A Q 10 4 2 ♣ 5 3	
♠ K J ♡ J 10 7 3 ♢ J 5 3 ♣ A 10 7 4		♠ Q 8 7 6 5 ♡ K Q 8 5 ♢ 7 ♣ 9 8 2
	♠ 10 4 2 ♡ 6 2 ♢ K 9 8 6 ♣ K Q J 6	

If North upgrades to a 15-17 1NT opener - fully justified with a decent five card suit and three aces - South will surely raise to game. Such an auction, with no resort to Stayman, calls for a major suit lead, and they both have their attractions. Whichever is led, declarer has to decide whether and how often to duck. On a fourth best ♡5 declarer should duck at least once in case East has five. If West returns the 3 on the second round, suggesting a 4-4 split, the declarer should grab the ace and play clubs. If s/he doesn't, a smart defender might switch to spades at trick 3, threatening two tricks in either major to go with the ♣A.

On the more likely spade lead declarer has it tougher. Here too the lead could be from a four or a five card suit. An absolute beginner would take trick 1, cash diamonds, and play a cub, for a lucky make owing to the spade blockage. An inexperienced player would semi-automatically duck twice, and would deserve to go off when West switches to the obvious heart at trick 3. An advanced declarer would take the ♠J at trick 2; if the suit is 4-3 there is no problem. Nor is there a problem if the lead is from queen fifth and West has the ♣A. The true expert analysis goes deeper, and ends with a less clear-cut decision. If the lead is from four, taking the first round is clearly right. If it is from five, the issue is - which five? We assume the queen (from West's king). We can see the 9 and the 10, so we have to decide whether East would lead the queen or small from QJxxx. Small is generally considered better, and against that holding declarer has to duck once, and hope for the ♣A to be with West. But if East would lead the queen holding both minor honours, then the suit is either 4-3, or West holds KJ stiff and the suit is blocked; and in either of those cases ducking is wrong. A good number did upgrade, so twenty contracted for 3NT. They all got a major suit lead, more times spades than hearts, and, to their credit as experts, they all made, roughly equal numbers taking the first round and second rounds. The eleven declarers in a notrump partial also all made nine, thus also qualifying for expert status. Declarers may have done well, but some of the defenders missed a chance. In those cases where declarer ducked the first spade, any West who found a heart switch at trick two would have set up five tricks for the defence, and a nomination for the best defence award. Away from notrump contracts, two Norths made ten tricks, but in 3♢, and the final table saw East lucky not to be doubled when he went two light in 4♡.

This one had all the makings of some fiercely competitive auctions, and didn't disappoint.

Board 154. Dealer East. all Vul.

	♠ A Q 10 8 7 ♡ 7 ♢ 9 4 ♣ Q J 5 4 2	
♠ J 6 ♡ A J 10 9 4 ♢ A J 6 2 ♣ A K		♠ 9 5 ♡ K Q 8 6 5 3 2 ♢ 10 8 5 ♣ 7
	♠ K 4 3 2 ♡ — ♢ K Q 7 3 ♣ 10 9 8 6 3	

The field was split between a two level and a three level opening, with the three level a little more popular. With very few exceptions the Souths passed and most Wests decided that slam was unlikely and simply bid to the four level in one way or another. Do you act with the North hand after a 2♡ - 4♡ or a 3♡ - 4♡ auction? They may be stealing, or they may, as here, have strength to spare. Are you a person or a mouse? A sheep or a goat? Much as my fingers would be itching to click on a bid, I suspect I'd recall the maxim "if you're preempted, stay preempted", and pass. Which would be wrong here, since 4♠ makes. Where it was bid, most of the Wests took the push to 5♡. And then a few of the NS pairs took the push to 5♠, still an undeserved good score (see below) - even for the pair who, obviously believing in the steal, redoubled and conceded 400. I'll finish with a tip for defenders about opening leads, based on a lesson from this board: 'lead partner's suit'. Yes, radical I know, but surprisingly effective; of the six who defended 5♡, two led a spade and scored 100, while the other four led the ♢K and saw opponents score 650.
