Just another round, then the Qualification stage of the OCBL Open League will be over.

The top 7 Teams from Swiss A and the 1st Teams from Swiss B will reach their goal and advance to the Knockouts.

(...and it will be already time to start fighting again!)

Some teams have already achieved the qualification: Donner, Austromany, De Michelis. Congratulations!

The next round of the OCBL Open League will be played tomorrow.

After 9 Rounds, tomorrow the teams who are playing in the OCBL Open League will need to make one Final effort to try to secure a pass to the Knockouts

Online Bridge NEWS

ZHENGKUN ZHANG AND PHIL MARKEY TIE FOR 1ST PLACE IN THE BIC SUPER FINAL

From the Bridge Base Online website:

Winners of the ultimate confrontation between the three online platforms that hosted the 2nd edition of the Bridge International Championship are now known.

As expected, the fight was close and we have not one, but two players sharing the gold medal:
Zhengkun Zhang, from China,
representing the CBO team (6th in the CBO BIC) and
Phil Markey, from Australia,
for team BBO (also winner of the BBO BIC).

David Käser, from the Funbridge squad won silver,
and bronze is again shared between
Changchun Zheng from China and
Zahari Zahariev from Bulgaria (winner of the first BBO BIC edition).

The video commentary (English language) is available here:
https://youtu.be/jxqahr2LEeI

UDAY IS BACK AT BBO!

Uday Ivatury is back at BBO as Executive Vice President and CTO.

Uday, who is also playing in the OCBL events, said: "I know online bridge has become more prominent during the pandemic. From here, I think the future will bring some very interesting interactions between offline and online, and I want to be here to be part of it."

From the Bridge Base Online website:
"With Uday's help, BBO will continue to improve, both for existing players and newcomers. He'll be central to developing innovative ways to connect, play and compete. His technical expertise and deep knowledge of the game will help make your game more accessible and engaging than ever before."

A MODERN VUGRAPH SHOW

Gavin Wolpert published the following statement on Bridgewinners:

This Friday afternoon, May 28th, at 12:20 PM EST, Rob Barrington and I will be doing a vugraph show for the final session of New ALT Event 5.

This broadcast will be different from typical vugraph as we will not be focusing on one table. It will act more like a golf broadcast. The idea will be to discuss the problems that might come up on a hand (sort of like a fly-over) and then jump from table to table to see how people handle them.

Gavin Wolpert

Some of you may remember a show from almost 10 years ago for the Buffett Cup. Here is a link to that show: https://tinyurl.com/cve5saw

At the time of that broadcast, I had to set up two computers near each other and use one to broadcast and the other to coordinate which table we were watching. A lot has changed in the past 10 years. Broadcasting software has come a long way, such that a show like this can be more fluidly put together on a single computer and produced at high resolution without any connection issues.

The reason I chose the Buffett Cup was because multiple tables were playing the same hands at the same time, allowing us to table jump. I had a thought recently that with ALT having all tables live and open for vugraph, this is the perfect set up for us to try again. This time we are going to gear the commentary to an intermediate audience, in an attempt to show that bridge can be broadcast to a wider audience.

The other thing missing from bridge broadcasts is the personality of the players. There are so many characters in high-level bridge that I thinkbroadcasting the people, not just the game itself could help popularize the game. Last year Rob Barrington created an event called "Bridge Duels" which featured some top players and quite a lot of personality.Here is a link to watch. If we can call the players from the ALT and bring them into our show we can possibly make an even better show.

What Dreams May Come

by Mark Horton

The ninth round of the OCBL League, signalling the start of the A/B Swiss featured a number of deals that contained fascinating possibilities in both play and defence.

Board 2. Dealer East. NS Vul.

	♠ A Q J 10 ♡ A 10 7 ♢ Q ♣ A J 10 7 5	
♠ K 9 8 7 6 2 ♡ 4 3 ♢ 6 5 4 ♣ 6 3		♠ 5 3 ♡ J 9 8 5 ♢ K ♣ K Q 9 8 4 2
	♠ 4 ♡ K Q 6 2 ♢ A J 10 9 8 7 3 2 ♣ —	

When you see a deal like this you can be reasonably confident that it will produce swings. NS can take all the tricks thanks to the diamond position, but the bidding can go in many directions.

Black v Parker

Open Room

1♢ 'Not balanced'
3♡ 5+♣, game forcing
4NT 'RKCB I hope'
5♢ 1/4 key cards

West led the ♠6 and declarer won with dummy's ace and played the queen of diamonds, +1390 to lose a couple of IMPs.

Donner v Ireland

Open Room

West	North	East	South
Moran	*C Rimstedt*	*Carroll*	*Dwyer*

East led the ♣K and declarer won and advanced the ♢Q, the next card bringing him 13 IMPs.

Where East did not open the bidding (five players opted for 3♣) South opened 1♢ 14 times, 5♢ four times and 1♡ once. Four pairs bid a grand slam.

Board 5. Dealer North. NS Vul.

	♠ A K 10 9 7 5 ♡ A Q 10 ♢ A 8 ♣ K 2	
♠ Q ♡ K J 9 5 ♢ K Q 10 9 6 3 ♣ 10 6		♠ 8 4 2 ♡ 3 2 ♢ 5 ♣ A Q J 8 7 5 4
	♠ J 6 3 ♡ 8 7 6 4 ♢ J 7 4 2 ♣ 9 3	

Given a choice I think most payers would prefer to attempt 3NT here, especially if East has shown a club suit. If the spade behave you will be able to reach dummy with the jack to take a heart finesse even if you are do not get a club lead at trick one.

Open Room

West	North	East	South

2♣ Game forcing or 22-23 balanced
2♠ Clubs

East led the ♢5 for the nine and ace and declarer cashed the ♠AK, crossed to dummy with the ♠J and played a heart to the ten. When it held he cashed the ace and exited with the queen, but he had four losers, -100.

West	North	East	South
Manno	*Kaya*	*Di Franco*	*Ozcan*

3♢	4♠	All Pass	

2♢ Multi
2♠ Pass or correct

West led the ♢K and declarer won with dummy's ace, cashed the ♠A and continued with the five. If East follows with the four, declarer planned to put in the six. That would give him two entries to hand, enabling him to take two heart finesses. That is what happened at many tables, but here East threw a spanner into the works by inserting the ♠8! Declarer could win with the jack, but deprived of an entry there were only nine tricks, -100 and a flat board.

Klaus Reps also found the play of the ♠8 against the contract of 3♠.

Bourricot v New Amateurs

Open Room

West	North	East	South
Simson	*Boulin*	*Aker*	*Bellicaud*
—	1♠	4♣	Pass
Pass	Dble	All Pass	

South led the ♠3 and North won with the king and exited with the ♣2. Declarer won with the ace and played a diamond for the king and ace and North cashed the ♣K and the ♠A and continued with the ♠10, South winning and switching to a heart which meant declarer took only six tricks, -800.

Closed Room

2♣ 'Our strong opening'
Dble 0-3

East led the ♢5 and declarer won with the ace and cashed the ♠A. When the queen fell he realised that playing a spade risked East finding the brilliant stroke of putting up the eight, so he looked for an alternative. His next move was to exit with the ♣K! East took the ace and continued with the queen before exiting with the ♠8. Now declarer could win with dummy's jack, play a heart to the ten, return to dummy with the ♠6 and play a heart to the queen, +620 but a 5 IMP loss.

There was counter-measure available - if East, having won the ♣A exits with a low club West can win with the ten and play two rounds of diamonds, when declarer must lose a fourth trick. However, there is a counter to the counter! Declarer must exit with the ♣2 rather than the king! If West wins with the ten and plays two rounds of diamonds declarer ruffs high and exits with the ♣K to endplay East.

Internazionale v ECF Holding

Open Room

Chechelas.	*Johansen*	*Soliman*	*Grude*

2♣ 'Strong'
Dble 0-3

East led the ♠2 for the six, queen and ace and declarer went to dummy with the ♠J and played a heart to the ten finishing with nine tricks,+600.

North led the ♡2 and declarer won with dummy's ace and continued with the king, South ruffing as North followed with the nine and switching to the ♢2. (Hard to see, but if South plays two rounds of trumps declarer should finish a trick short). North covered declarer's jack with the queen and after ruffing in dummy declarer continued with the ♡J, ruffed and overruffed, ruffed a diamond and played the ♡10. When South ruffed with the ♠A declarer pitched a diamond and had ten tricks, +790.

2♣ 'Like Precision'
Dble 'Takeout'
4NT 'Choice'

West led the ♠7 and declarer won with the ace discarding a heart from dummy and continued with the ♣Q West taking the ace and switching to the ♡8. East won with the king and returned the ♣10, West ruffing declarer's jack and playing a second heart. Declarer ruffed and played the ♣K ruffed and overruffed and then ruffed a heart. West overruffed and exited with the ♢K leaving declarer with eight tricks, -800 - and a flat board.

4♠ doubled was made more than once - it's a tough contract for both sides. As the cards lie declarer can get home by cross-ruffing diamonds and clubs. With the first eight tricks in the bag declarer exits with a heart and his ♠K107 will be worth two more tricks. The 4-0 trump split does declarer no harm - and he can add a little insurance by ruffing the third club with the ♠6 in case North has the ♠5. However, if trumps are 3-1 declarer needs to know how the red suit lie - assuming South has a second heart or a fourth diamond.

Slovakia v Scorway

2♡ 'Good spade raise'

North led the ♣4 and for the ten, jack and ace and declarer ruffed a diamond, played the ♣9 covered and ruffed, ruffed a diamond, ruffed a club with the ♠6, ruffed a diamond and played the ♣8 South following with the two. Declarer pitched a diamond, ruffed a club with the ♠3 played a heart to dummy's ace and continued with the king. South ruffed and exited with the ♠9, scoring the last two tricks with the ♠AJ, +790.

If declarer had discarded a heart on the ♣8 he would have been able to overruff on the second round of hearts and exit with the ♢K for an overtrick.

North led the ♣4 for the five, six and ace and declarer crossed to dummy with a heart and played a spade to the king, North pitching the ♢3. Declarer continued with a heart to the ten and South ruffed and played the ♣K. Declarer could cross-ruff the minors, but was a trick short, -100 and a 13 IMP loss.

Donner v Ireland

Open Room

3♢ '14-16, 5/5'

North led the ♡8 and declarer won with dummy's ace and played a diamond for the ten, queen and king. North exited with the ♡2 and declarer won perforce with the king and continued with the ♣J, South winning with the king and exiting with ♡6. Declarer ruffed, pitching a club from dummy and cashed the ♢A. When South pitched a spade declarer played a spade to the king and a spade to the ace, North's ruff followed by a heart ensuring two down, -100.

As the play went, declarer could have ruffed the third heart in dummy, discarding a spade from hand. He can then ruff a club and draw trumps ending in dummy, squeezing South in the process.

Having led a heart, the killing defence is for North to switch to the ♠4 when in with the ♢K. If declarer does not draw trumps South will win the first round of clubs and give North a spade ruff, but drawing trumps leaves declarer a trick short. Alexander Sandin was the only one to find the switch - quite important as the contract was 5♢ doubled.

The best line in 5♢ is far from clear, but if South had doubled spades at some point declarer could

John Carroll - pic: Peter Hasenson

consider winning a heart lead in hand and exiting with a club. He wins the next heart in dummy, ruffs a club and can now cash the ♢A and play a second diamond. In due course South is going to be squeezed in the black suits.

The only way the defenders can be sure of defeating 5♢ is for North to lead the ♠4 at trick one, not attractive, but North does have trump control and if South has an entry……

1♣ Strong
Dble 'Game forcing, artificial'

South led the ♡J and declarer won with the ace and rant the ♢J, North winning and returning a heart. Declarer won in dummy, cashed the diamonds and then played spades, taking the finesse for nine tricks, +400 and 11 IMPs.

Only three pairs played in 3NT. If East is the declarer North could consider trying for four club tricks when in with the ♢K, either cashing the ace (hoping partner has ♣KQ10x) or switching to the ♣9 when ♣KQ8x will be good enough.

Which allows me to reveal how at double dummy 3NT can be defeated. South must lead the ♣5, North winning with the ace and returning the nine for the ten and queen. Now South gets off play and in due course North comes in with the ♢K and plays a third club.
