The Festive Season

by Mark Horton

Going into the second day of the November OCBL Monday-Tuesday Swiss, the top four teams were covered by fewer than 7 victory points. They had mostly completed the matches amongst themselves, so would be hoping to score significantly against the teams below them in the table. However, those squads were powerful so it would not be a simple matter – the odd early Christmas present would not go amiss. Let's see if anyone was in a generous mood!

Round 6

Board 1. Dealer North. None Vul.

	♠ 10 3 ♡ A Q 8 ♢ K Q 5 ♣ K 9 7 3 2	
♠ K J 6 5 ♡ K 10 3 ♢ 9 6 3 ♣ J 6 5		♠ 9 8 4 2 ♡ J 6 5 2 ♢ J 7 ♣ Q 10
	♠ A Q 7 ♡ 9 7 ♢ A 10 8 4 2 ♣ A 8 4	

When you are trying to report on an event 'as it happens' you may type in a deal where you think something interesting might happen. That's why this one appears. I was hoping someone might stretch to 6♢. If West starts with a passive trump, declarer might draw trumps and play three rounds of clubs leaving West on lead. Then it's a case of judging what to do when West returns a heart.

Naturally there were no takers, everyone stopping in 3NT.

Board 2. Dealer East. N/S Vul.

It looks as if clubs were first agreed at the six-level, which is always a good time to select the right trump suit. There was nothing to the play, declarer ignoring the fact that North contributed the jack on the first round of clubs, +920.

It's worth mentioning that in the match between Seligman and Friends both teams reached 6♣. One declarer ruffed the second round of hearts and cashed the ♣A. This time when North dropped the jack, his next move was to run the ♣8 which resulted in the loss of 14 IMPs.

The importance of playing in clubs was not lost on Hennie Fick and Neville Eber who had the misfortune to ply in 6♢ which cost them 7 IMPs.

Declarer ducked a spade to West's jack, ducked the heart switch to East's king and the next trick comprised the extant heart honours. Declarer unblocked dummy's ♡8, came to hand with the ♠A, cashed the ♡9 and the ♢A and played a club to the jack. When it held he exited with a club and scored a diamond at the end for +580.

West led the ♡K and declarer won with the ace and played a club to the queen. West won and switched to the ♠9 and that was three down, -150.

After the lead there is a spectacular double-dummy line.

Declarer ruffs a heart high at trick two, plays a diamond to the nine, ruffs a heart, draws the outstanding trump and plays all his remaining trumps. When the last one hits the table East is down to ♠AK ♣J98 and must pitch a spade. Now declarer plays a club to the ace collecting West's king and exits with dummy's spade to endplay East!

It is worth mentioning that East held ♠104 ♡J8 ♢QJ10943 ♣J83 and overcalling 3♢ caused more than one pair to miss the grand.

When declarer put in the eight and it held he was up to 11 tricks and North was in big trouble when declarer settled down to the clubs. Sooner or later North was going to be squeezed in spades and diamonds and rather than prolong the agony he pitched two diamonds allowing declarer to play the queen, securing two more tricks in the suit and his contract, not to mention 13 IMPs when they stopped in 4NT in the other room.

Immediately afterwards N/S bid 6♢ with ♠93 ♡AQJ7 ♢AQ54 ♣Q52 facing ♠AKJ72 ♡6 ♢J1087 ♣AK3.

West held ♠Q1085 ♡1032 ♢K962 ♣J9 and led a heart. In theory the contract is makeable, declarer must take the ♡A, come to hand with a spade, run the ♢10, play a second diamond to the queen and then take the ruffing finesse in hearts, eventually endplaying West to lead into the ♠KJ, but declarer played on spades and had to go one down, losing 12 IMPs.

It was easier where West covered the first diamond, as then declarer could play to ruff two spades in dummy, losing only one trump trick.

West led the ♢3, declarer taking East's queen with the ace, playing a spade to the ace and jack followed by three rounds of hearts, ruffing as East pitched a diamond. When declarer continued with a diamond to the king East ruffed with the ♠9, cashed the ♠KQ and then played the ♣A. Declarer did not ruff that, claiming the rest when East continued with the ♣K, one down, -100 and a 6 IMP loss.

To make the contract, declarer must leave trumps alone. He can afford to play on hearts, not caring if East can ditch a diamond, as declarer will be able to force East to ruff by playing a diamond. If East then plays a top spade declarer wins with dummy's ace, ruffs a heart and plays a diamond and cannot be denied 10 tricks.

Mou was the only one to make 4♠ (doubled to boot), ruffing East's club lead and leaving trumps well alone – well done to earn 12 IMPs.
